Eighteen Freight Cars
and Cargo Destroyed in
Wreck Near Mt. Gilead

WILL WED MORRIS
Loss in Derailment and
Fire Estimated at
\$50,000.

ON T & O C LINE
One Car of Coal, Three
of Paint Consumed
by Flames

Special to The Star
MT GILEAD Aug 17—Eighteen
cars of a T & O C freight train
and their cargo were destroyed by
fire at 1 o'clock yesterday after-
noon when a broken axle caused
a derailment at the crossing on
route 4, two miles south of here.

The broken axle dragged along the
track for a half mile, finally
spearing the rails and derailing
15 of the 16 cars in a train. Damage
was estimated today at ap-
proximately \$50,000.

Within a few minutes the
wrecked train was a raging inferno
as three of the cars loaded with
paint and radiator anti-freeze solu-
tion caught fire. Three cars were
loaded with coal, one of which
burned. The remainder of the de-
railed cars were empty but the
fire spread through all the wooden
cars.

Water Lacking
No effort was made to check the
flames because of the lack of
water at the scene of the accident.
The flames roared uncontrolled for
more than an hour and spread to
nearby fields badly damaging a
four-acre cornfield.

Three cars back of the locomotive
were not derailed and 25 of
the rear of the train stayed on
the track. The three front cars
were pulled away by the locomotive
and the 5 in the rear were
removed from danger when a wreck
train arrived from Columbus.

Another wreck train from Gailton
helped clear away the wreckage.
Traffic Blocked
The wreck delayed other freight
traffic on the line which is a part
of the New York Central system.
Automobile traffic on route 42 was
detoured through Edison. The
crossing was blocked all afternoon.
The fire attracted a crowd of more
than 500 persons during the after-
noon.

Wrecking crews began clearing
away the debris after the flames
had died down. Then teams
directly started a search to de-
termine if any train riders had
been caught in the wreckage. No
traces of any were found.

The train was in charge of a
crew of Bucyrus men. They are
Harry Mader engineer, H. Steiger,
fireman, E. C. Moore conductor
and C. P. Dreshbach and C. Baird
brakemen.

Eagles Singers Take First
Place in Competition at
National Convention

RETURN FROM CHICAGO
Seventy Members of Marion
Aerie Take Part in U S
Conclave

For the second successive year
the Buckeye quartet of the Marion
Eagles took first honors at the
League's thirty eighth annual
convention which closed today in
Chicago.

The competition in which quar-
tets from every section of the coun-
try were entered was held last
night in the Casino room at the
Marion hotel with N. V. Vinsky
director of the Chicago Civic Opera
Co. as judge. The runner up to the
Marion quartet was the McKee
port quartet while a Los An-
geles quartet was third place.

Members of the local quartet are
John P. McAndrew, second tenor;
Nelson G. Irwin, bass; Lester Car-
son, first tenor; Arthur A. Wood,
baritone; and Paul Malley, piano
accompanist. They sang three num-
bers: The Rosary, Hoch Caro-
line and an old German opera num-
ber and we saw the sea a cur-
rently popular tune.

The quartet won first place last
year at the Dayton convention.
Two years ago the quartet won
second place at the Cincinnati con-
vention. In addition to first night's
competition they also entertained
lodge officials at a meeting, and at
the annual banquet on Sunday night
at the Stevens hotel.

Approximately 60 Marion Eagles
were among the thousands of lodge
members who paraded Chicago
streets in colorful procession yes-
terday to climax the convention.

The 35-piece Marion lodge band un-
der the direction of Gene Williams
was chosen to lead a section of the
parade which included marchers
from the fourteenth district of the
lodge of which Marion is a part.

Sprained Thumb

A runaway automobile ended a
cruise to a chicken hatchery
yesterday at 10 o'clock when it
crashed into a building at the
base of a hill east of Marion. The
car, a 1935 Buick, was traveling
at 40 miles an hour when it
struck the building, causing the
roof of the car to be crushed and
the building to be damaged.

The accident occurred as Mr.
Robinson and his daughter were
cruising from Cleveland where they
had accompanied Mrs. Robinson.
The car was traveling on a road
which was not paved and was
very rough. The driver, Mr. Rob-
inson, was not injured despite the fact
that a board crashed one of the
side windows in the rear of the
car.

for Deaf Mutes

Two Appear Before Judge
After Their Arrest in
Automobile

Three men charged with driving
while intoxicated one of them a
deaf mute and unable to read
were arraigned in municipal court
this morning.

The deaf mute, Rutherford Campbell,
49 of Columbus was the first
person with such an affliction to
have been arraigned in municipal
court or a major charge court
officials said.

His arraignment presented an
unusual picture as Acting Municipal
Judge J. L. Dowler tried to
tell him of his plight by means of
written notes and lip movements.

Others charged with driving
while intoxicated are Gilbert Mr.
Clung, 40 of 78 Toledo avenue
and Sheldon Rice, 42 of 100
Caledonia. Mr. Clung and Campbell
pleaded not guilty and were ar-
raigned on \$1000 bonds and Rice
pleaded guilty and will be sentenced
to 30 days in jail.

he was hit by a car while playing
in the path of an automobile Sat-
urday morning at 10 o'clock, died
yesterday at 4:45 p. m. in St. Mary's
hospital in the city. In addition to
a fractured pelvis the boy suffered
extensive shock to the hospital.

D. K. Tharp of New Lexington,
O. driver of the car, was held
blameless after an investigation of
the accident and questioning of
witnesses, police said today.

Mr. Tharp, who was enroute to
Fort Wayne, Ind. and his wife
were traveling together in the car
when it struck the child. The car
was traveling on a road which was
not paved and was very rough.

The boy is survived by his par-

Steel Operations
SHOWING STRENGTH
Rate of Output Drops Only
One Point Despite Sharp
Break in Auto Production

By The Associated Press
CLEVELAND, Aug. 17—National
steelworks operations are an
unusual high August level con-
tinued to show strength in the
report of the industry.

The national rate at the end
of the week was placed at 70.4
percent of a year ago rate, despite
a sharp decline of 26.12 units in
automobile production. Lumber
production had more to do with
lowering of the rate apparently
than any other factor.

Steel mills, although some good
steel finished steel contracts were
received, incoming applications
fell off slightly.

Pressure for deliveries remains
as strong as ever. Steel mills
backlogs have increased in some
instances resulting in further delay
for shipments. Most producers now
cannot promise deliveries for six
weeks.

Steel's corporate position is up 58
cents to \$14.83 the result of broad
advice in almost every district
look back as the shortage con-
tinued. The situation in scrap has
led to increasing pig iron activity
the magazine said.

JUMPS TO SAFETY
2 PROPOSALS
UP TO PEOPLE

Council Acts on Firemen-Police
and WPA Election
Petitions.

GET OVER 4000 SIGNERS
Ballots To Be Separate, Date
Set is Earliest Provided
in Law

Marion voters will be given an
opportunity at a special election
Sept. 4 to accept or reject two
and one-half mill tax levies that
would raise funds to recruit re-
tired police and firemen to duty
and launch an extensive WPA pro-
gram in the city.

After petitions totaling more
than 4000 signatures for each pro-
posal were submitted city council
at a special meeting Saturday
night at 8 p. m. the date for the
election has been set. The earliest
date allowed by law. While the tax
proposals could have been placed
on the ballot in the regular No-
vember election it is understood
that council did not agree that if
sponsors of the measures obtained
3000 or more signatures for each
levy it would call a special election
the cost of which would be approxi-
mately \$800.

The petitions for the police and
firemen levy have 4342 signatures
and 4000 signatures were obtained
for the WPA proposal. Council set
the date for the election by resolu-
tion. An amendment to the resolu-
tion declaring that the people by
their signatures on the petitions
had indicated they wanted a special
election was offered and adopted.
The petitions had requested a
special election.

Par Above Requirements
Only 921 signatures were neces-
sary to make it mandatory that
council place the measures before
the people. The resolutions will be
referred to the county board of
elections at once.

The petitions, placed in circula-
tion throughout the city on Aug. 6
were presented to council by Ora
DeWine (retired police captain),
and Fred Davis representing the
WPA.

URGES QUICK ACTION
IN NAMING BOARDS
Terms of present election of-
ficials expire Sept. 1 and 11-
p.m. and Democratic party
committees are requested to
submit their recommendations for
new appointments im-
mediately in view of the con-
tingent special election Sept. 4.
G. Ritter, deputy election board
clerk said today.

Any special requests or recom-
mendations recommending have
must be made at once on the
board will go ahead with the
appointments. Mr. Ritter said
Hansen to be used in making
recommendations. Hansen has
been placed in the hands of council
technician and a number have
already been returned.

WPA Workers League Members of
the police, firemen and WPA com-
mittees were present.

The levy proposals will appear
on separate ballots so that voters
may have the opportunity to sup-
port only one of the two measures
if they wish. Each levy on the city
tax duplicate will raise approxi-
mately \$12,000 based on an 85 per-
cent tax collection. The levies are
to run ten years as provided in the
local repeal Ohio law on special
elections. They would go on the
tax bills for 1936 and 1937 and
along with the December collection
this year.

HOOVER INTERESTED
IN NEW GOLD MINE
By The Associated Press
SAN FRANCISCO, Calif. Aug
17—The Chronicle in a copyrighted
story today, said a gold mine is
operating near Jungo, Nev. for
which the owner has turned down
offers aggregating \$10,000,000 in-
cluding a bid by ex-President Her-
bert Hoover.

George Austin Jungo, store-
keeper has been daily mining gold
valued at \$200 for the last year, the
newspaper said. Austin bought the
mine from J. C. Stagg Fallon, Nev.
prospector for \$200,000—which
he borrowed—and a total price of
\$10,000.

Hoover the Chronicle said, ad-
vised Austin to keep the mine after
his offer had been turned down
and the storekeeper offered to pay
for the advice but the ex-President
smilingly declined and said "That
kind of advice is free."

CHICAGO NEGRO HELD IN KILLING

Police Quiz Suspect in City's Fourth Hotel Room Murder of Women

By The Associated Press
CHICAGO, Aug. 10.—In pursuance of their theory that a Negro promoter killed the two women, police today arrested Claude F. Davis, 18-year-old Negro, questioning him at the fourth hotel room killing of women in Chicago.

The officers hurried the youth to a police station with a view to ascertaining the circumstances of the killing.

There they questioned him for three and a half hours. Serg. James Gleason then disclosed that the arrest had been made and said:

"We think Davis can be held for a while on the charge of being the killer. We also are holding the Negro women we believe can help us crack this case."

Found by Husband
The body of the woman, a former Knoxville, Tenn., resident, was found by her husband at a rooming house on the second floor of the hotel. The body was found in a rooming house on the second floor of the hotel. The body was found in a rooming house on the second floor of the hotel.

Trammell, steward on a Grand Trunk railroad dining car, made the gruesome find about 1 p. m. yesterday when he returned from a trip to Michigan. Unable to gain admission he peered through a transom. He noticed the dead clerk John Hen who lurked up the fire escape, climbed into the room and opened the locked door from the inside.

Investigators theorized her assailant also used the fire escape. Then William Schumacher, 67, informed detectives he had frightened off a Negro who sought to enter his second floor room in the same fashion a week ago. That prowler dropped a small note book containing several entries concerning horse races and a laundry ticket. Serg. John Fleming said a serial solution of the Trammell case might hinge on this lead.

Fairground streets following a collision at Center and Prospect streets, Campbell had driven into Davis car while it was parked on Prospect street.

McClung's hearing was set for Thursday at 3 p. m. with bond at \$200 after he pleaded no guilt. He was arrested by police after a car he was driving collided with an automobile driven by W. L. Griffith of near Marion police said.

The accident occurred shortly after 8 p. m. Saturday on the Garden City pike near the Pennsylvania railroad crossing. Griffith was driving west and McClung east when the cars collided. Police reported.

Mrs. Laura Boyd of 393 Toledo avenue riding with McClung was charged with intoxication and fined bond of \$150. He had no appearance in court this morning. Judge Dowler said Griffith told police he swerved to the north side of the road almost into the ditch in an attempt to avoid the collision.

Rice was arrested by H. R. Curtis, state highway patrolman here early Sunday morning after a car driven by Rice struck a parked truck on route 30 two miles east of Caledonia. Patrolman Curtis said.

Chester Keppard of Buffalo, N. Y. driver of the truck had placed flares at each end of the truck but Rice drove over the flares into the rear of the truck. Curtis said. The front of Rice's car was badly damaged. Curtis reported while the truck was damaged.

TRIO HOME FROM TOUR OF WEST

Mrs. Mattie B. Dugan of South Vine street here, Mrs. M. E. Burdick of Mt. Pleasant and Roger Banfill of East Church street returned Saturday from a 10,000 mile motor trip which took them through five national parks and numerous points of interest throughout the west. They were gone six weeks. Among the many places of interest visited were Lincoln City in southern Indiana where they visited the grave of General Hanks. Lincoln City is the place of the proposed Will Rogers shrine on Cheyenne mountain. The Garden of the Gods in Colorado, the Petrified Forest in Arizona, the Bad Lands of North Dakota and numerous other nationally known memorials. Mrs. Dugan visited relatives and enroute home through Michigan they contacted Mrs. V. L. Welch of South Vine street who is spending the summer at her cottage at Cedarville, Mich.

Commerce Head Sees '36 Income of 60 Billions

Department Estimates Point to Balancing of Outlay First Time Since 1929

By The Associated Press
WASHINGTON, Aug. 10.—Commerce department officials today announced that the nation's income for 1936 is expected to reach 60 billion dollars, the highest since 1929.

Officials said they expect that income to be paid out in the form of government expenditures, which will be the first time since 1929 that the government has balanced its budget.

The biggest slice of income paid out goes for compensation of employees, usually amounting to between 44 and 48 per cent. Next in line are dividends, interest and income from the sale of government securities.

With the predicted rise in national income this year an upturn in per capita income of employees also was expected by commerce department officials. From the 1929 high of \$1,456 the per capita income was \$1,097 in 1933 and for 1934 was \$1,201 or 81.9 per cent of the 1929 level.

TOWNSEND'S ARREST ASKED BY ATTORNEY

Lawyer Acts After Pension Leader Fails To Appear at Receivership Hearing

By The Associated Press
CLEVELAND, Aug. 10.—Hon. Sacharow, attorney for Rev. Alfred J. Wright, former director in the Townsend old-age pension organization, today asked Common Pleas Judge George W. Kerr to order the arrest of Dr. Francis P. Townsend, founder of the pension plan, and Glenwood Young, national secretary, for failure to appear at a deposition hearing here.

Dr. Townsend and Young were scheduled to testify at the hearing in connection with Mr. Wright's receivership suit against the Townsend organization.

I want a citation issued for Dr. Francis P. Townsend and I ask your honor to see that Dr. Townsend be not encouraged to make mockery of the courts of justice, Sacharow said. He then asked for the arrest of Young.

Attorney Charles H. Hubbell received a telegram from Young stating that Dr. Townsend would be unable to appear due to illness. Hubbell was asked to appear in court and request a continuance of the hearing.

Young, who also had been subpoenaed for the deposition hearing, said in the telegram that he was not coming because he was assuming his presence will not be desired until Dr. Townsend can appear.

Dr. Townsend was reported to be in a Chicago hotel suffering from over exertion and fatigue. At a previous deposition hearing in the suit here Dr. Townsend walked out indignantly. He was brought back to court later by a deputy sheriff and the hearing continued until today.

Rev. Wright of Cleveland, a deposed director of the organization, brought the suit asking removal of Dr. Townsend and directors' appointment of a receiver and an accounting of funds.

COUGHLIN IMPROVES FOLLOWING ATTACK

President passed over the coin that he had confiscated from the men and women of the country to the private owners of the federal reserve bank your masters in his cordial address," said Dr. Coughlin speaking under a torch on the Cleveland stadium.

Dr. Coughlin said he was using you and me on the chess board of life. I thought that those surrounding him had memorized his intellect. He said he was forced to act against his better judgment.

As eight minutes of his radio address came to a close, Coughlin said softly, I am too ill to continue. God bless you.

His audience estimated by Walter Davis, convention marshal at 42,000, made no move as two policemen leaped up the steps to assist him and remained quietly in their seats as Dr. Coughlin requested a woman of elegant prayer for the leader.

Adjournment came as quietly. The throngs milled about the stadium and then filed out without demeror.

'GREED' BLAMED FOR OWENS' SUSPENSION

(Continued from Page One)

mind about commercial offers made to him since he entered and outjumped the field at Berlin. But he said of one it was not his. Whether in an amateur or not he said it is a club I never will run for the A. A. U. again.

For the present Eddie Cantor's offer of \$40,000 for a series of personal appearances seems to be the best. Owens has received Jesse's check for more details.

Snyder said he was not the only person with a bone to pick with the A. A. U. There's not only me but the team—nor one underling manager who isn't fed up with the entire procedure, the coach said. The A. A. U. is the buck passing act of the world.

The colleges provide 90 per cent of the athletes and the politicians run the show. The boys mostly are cattle being shipped about. Such things wouldn't occur and couldn't occur if greed on the part of the A. A. U. were more easily satisfied.

There were indications that the Negro with the approval of his coach Larry Snyder already had decided to turn professional and was returning home suddenly for the specific purpose of considering commercial inducements.

Owens and his coach arranged to sail for home on the Queen Mary leaving Wednesday and planned to stay in New York several days. Ferris telephoned Snyder advising him of the decision to discontinue the outstanding Olympic winner.

After disciplinary action had been authorized on the basis of hastily collected evidence, Ferris telephoned Snyder in a further attempt to influence the coach to reconsider. Ferris said.

We had no alternative under the circumstances but to disbar Owens. It is an open and shut case of violating an agreement. I mean Owens will not be able to engage in any competition controlled by the A. A. U. or in of college meets either so long as he is under the ban.

Snyder questioned whether the ruling could prevent Jesse from engaging in college competition. But I assured him it would under standing agreements in which amateur status is involved.

Last Sunday Snyder said Jesse was informed by Ferris just 15 minutes before time to leave that he was going to compete in a meet at Cologne.

This was Sunday night after Jesse had won the relay for the United States following a tough week of competition. He had to hurry and pack one suit case leaving the rest of his things for his roommate Dave Albright to pack.

The day after he met Ralph Metcalfe it looks to me like a deliberate attempt to have the boy beaten. It was absolutely unfair. It doesn't matter whom the A. A. U. sacrifices to get its 10 per cent.

Owens said: There's nothing I can gain out of this trip. This suspension is very unfair to me. All we athletes get out of this Olympic business is a view of a train or airplane window. It gets very tiresome. It really does.

This truck business is becoming one of the greatest racket in the world. It doesn't mean a damn thing to me. The A. A. U. gets the money. It gets all the money collected in the United States and then comes over to Europe and takes half the proceeds.

A fellow desires something for himself. If a fellow turns professional it should be public for the A. A. U.

EAGLES QUARTET WINS AT CHICAGO

(Continued from Page One)

Announcement of the awards to the best bands in the parade was made tonight on Tuesday. Twenty bands, eight drum and bugle corps, 30 marching clubs and 10 drill units marched in a line that took two hours to pass a given point on Associated Press report of the parade said.

In addition to the band and quartet which returned this morning, on their special bus approximately 30 members of the Marion lodge attended the parade. The parade opened last Thursday.

Turning from business sessions at which they elected Dr. H. B. Meekman of Oakland, Calif., national president, the lodge members today frolicked in gay dress and varied drills. Cities represented by drill teams included Lorain, Ohio, while other Ohio cities that sent bands were Toledo and Cincinnati. William P. Vetterli of Zanesville was named a star of the national lodge.

FAIR AND COOLER IS FORECAST HERE

Temperature Drops to 65 Following Rise to 92 Yesterday

White heat plagued many sections of the nation from the sun-seared western plains to the sultry Atlantic seaboard today. Marion and vicinity looked forward to the weatherman's prediction of fair and cooler tonight following yesterday's high temperatures.

The mercury touched 92 yesterday and dropped to 65 degrees last night. Dr. H. B. Rattensberger, weather observer here, reported rainfall Saturday measured 10 of an inch. Temperatures a year ago ranged from 61 to 77. The United States weather bureau forecast fair and cooler tonight with increasing cloudiness. Tuesday followed by possible showers.

A wave of abnormally high temperatures reaching a Sunday peak of 113 engulfed Kansas, Nebraska, Oklahoma and Missouri. The Associated Press reported. Forecasters warned the hot area would spread over the northern half of the midwest and reach into the upper great lakes region. A high temperature of 113 was recorded at Rustleville, Okla., while Topeka, Kan., registered 109. Three new heat deaths in the west and eight drownings in the western states were reported.

ICKES CLAIMS SON'S ARREST IS 'POLITICS'

By The Associated Press
WASHINGTON, Aug. 10.—Secretary Ickes the Star says attributes to unfair political reasons the arrest last week at Woburn, Mass., of his foster son Robert Ickes on a charge of driving an automobile while intoxicated.

If he had been drunk why wasn't he arrested and his car seized, the secretary was quoted as saying. A complaint embodying the charge was issued last Tuesday, but young Ickes was not detained. Hearing was set for Aug. 19.

The Star said Ickes stressed that the law provided for holding the culprit and his car in such cases.

FALSE TEETH SUFFERERS HAVE FINAL SAY

A user of SUXION WONDER PASTE writes SUXION is just wonderful. I am so glad that someone has at last found something to make us unfortunate people happy once again. THERE is a test mental that comes right from the heart. NOT the claim of a manufacturer for his product but an expression of genuine gratitude from a sufferer who has at last found relief from false teeth troubles, relief which only SUXION can bring. BUT WHICH SUXION DID WHEN I FALSE TEETH LOST SIGHT OF SUXION. At good drugists.

Take our tip. Don't you gamble on tires. Get a set of Goodrich Safety Silvertowns. Then you'll have the protection of the Life Saver Golden Ply. A layer of special rubber and full floating cords scientifically treated to resist the blowout-causing heat generated inside all tires by today's high speeds. By resisting this heat the Golden Ply keeps rubber and fabric from separating. It keeps blisters.

Right from the factory. So new and smart they flash sparkle with individuality.

WOMAN IDENTIFIED AS CAREY RESIDENT

Four Thousand Pilgrims View Body in Effort To Clear Mystery

CAREY, Aug. 10.—After approximately 4,000 pilgrims at the annual Feast of the Assumption to the Shrine of Our Lady of Consolation church in Carey, Ohio, viewed the body of an unidentified woman who died suddenly on the street here Friday night, she was found to be Miss Marie Friend, a resident of Carey, O. 25 years. The body was at the Coffey funeral home at nine half a block from the home of Mrs. Friend's sister, Mrs. Mary Montague, and was identified Saturday afternoon by her nephew, William Montague. Believed to have been a pilgrim, Mrs. Carey residents visited the funeral home in an attempt to identify the body until late Saturday.

Mrs. Friend was born at Berwick, Pa., Aug. 1, 1876. Her sister and nephew are the only close relatives surviving.

Funeral services will be held Tuesday at 2 p. m. at the Montague home. Rev. Paul R. Clouser officiating. Burial will be in the McCutchen cemetery.

As she was accustomed to remaining overnight at the home of her sister, Mrs. Friend's nephew was not alarmed when she did not return home Friday night and was not aware that she had not arrived at her destination until his brother, William Montague, stopped in a barber shop Saturday afternoon. A discussion of affairs disclosed that she had not been at the Montague home and led to the identification of the dead woman. Corpse was found on the street.

One hundred and twenty-five relatives attended the reunion Saturday at which W. G. Barrington of Lima, a magician furnished entertainment. The officers elected were Mrs. Carrie Hindman of Marion, president, and Roy E. Bailey of Meeker, vice president. G. B. Layman of Marion secretary treasurer. Broadway Playboy Plans To Make Round Trip To London in 24 Hours

By The Associated Press
LOS ANGELES, Aug. 10.—Harry Richman, Broadway singing playboy, wheeled out his new \$100,000 toy today—pointed toward New York and the start of a storybook adventure.

He planned to take off at noon between two Manhattan break fasts the curlied hair jazz impersonation hopes to squeeze in a round trip to London by plane.

The big transport plane, capable of a top speed of 295 miles an hour is practically accident proof. Richman insists.

It has a two-way radio, a big kite to fly in case of distress and devices that can close the motor dump the gasoline and seal the fuel tank in less than a minute.

In Pilot Dick Merrill Richman has an aviation veteran. He flew in the search for Lincoln Ellsworth explorer lost and found in Antarctica.

Richman said St. Louis would be the only refueling point on the one-stop flight to New York.

SECTION ARREST DETAINED

CLEVELAND, Aug. 10.—Hon. Sacharow, attorney for Rev. Alfred J. Wright, former director in the Townsend old-age pension organization, today asked Common Pleas Judge George W. Kerr to order the arrest of Dr. Francis P. Townsend, founder of the pension plan, and Glenwood Young, national secretary, for failure to appear at a deposition hearing here.

Dr. Townsend and Young were scheduled to testify at the hearing in connection with Mr. Wright's receivership suit against the Townsend organization.

I want a citation issued for Dr. Francis P. Townsend and I ask your honor to see that Dr. Townsend be not encouraged to make mockery of the courts of justice, Sacharow said. He then asked for the arrest of Young.

Attorney Charles H. Hubbell received a telegram from Young stating that Dr. Townsend would be unable to appear due to illness. Hubbell was asked to appear in court and request a continuance of the hearing.

Young, who also had been subpoenaed for the deposition hearing, said in the telegram that he was not coming because he was assuming his presence will not be desired until Dr. Townsend can appear.

Dr. Townsend was reported to be in a Chicago hotel suffering from over exertion and fatigue. At a previous deposition hearing in the suit here Dr. Townsend walked out indignantly. He was brought back to court later by a deputy sheriff and the hearing continued until today.

Rev. Wright of Cleveland, a deposed director of the organization, brought the suit asking removal of Dr. Townsend and directors' appointment of a receiver and an accounting of funds.

OUTCOME OF PENNANT CAMPAIGNS IN THREE LOOPS UNCERTAIN

Lee Street Assured of No. 1 Flag, Exhibition Contests Set for Week.

Softball games with the league pennants at stake will feature the city diamonds as twilight games for the first time in the history of the city. At least one game will be played on the Lee Street diamond, which will be the No. 2 loop. The outcome of the pennant campaign is uncertain, as the teams are evenly matched.

In addition to the full schedule of twilight games, an exhibition performance will be given by the Lee Street team at Lincoln park on Thursday and Friday nights. The Lee Street team, which last week defeated the Lincoln team 4 to 2, will come here for a regulation game, as well as a featured performance in which the players are attached to wild Mexican songs with a live foot race. Both exhibition games will start at 8:30 o'clock.

BERLIN'S OLYMPIAD ENDS AFTER RECORD THROWS

Fanatical Crowds Overshadow Major Victories of Americans in Minds of Observers.

By The Associated Press

BERLIN, Aug. 10.—The eighth Olympic Games ended today with a bang, as the record-breaking American high jumper, Earl Bell, cleared 7 feet 1 1/2 inches, setting a new world record.

The world has not seen such a display of athletic prowess since the 1928 Olympics in Amsterdam. The American team, led by Coach Glenn Bell, won a total of 24 medals, including 10 gold, 10 silver, and 4 bronze.

The most astounding exhibition of all was the American high jumper, Earl Bell, who cleared 7 feet 1 1/2 inches, setting a new world record.
